Dear Sir,

With reference to the application of Mr Gurusiddiah, B A, (Hons), LL B, Head Clerk of my office for inclusion of his name in the eligibility list for 1st grade Chief Officers and Assessing Officers in the State, I wish to state that he is very highly qualified and that I have found him to be very efficient and honest in his work. He ought to have been selected as a Revenue Probationer in the year 1938 alone and it is very unfortunate that he narrowly missed the chance. As stated in his application he is a distinguished student of the Mysore University and has won the

the admiration of all his Professors and immediate superiors, and I feel that his aspiration to be appointed as a Chief Officer is very moderate and very reasonable and I hope that on a perusal of the testimonials submitted by the applicant you will feel that he mostly deserves your sympathy

with regards,

Yours Sincerely,

Mr Gurusiddiah studied in this College throughout his B A Honours course in Economics, his second language being Kannada, and secured second class honours in the degree examination He held a merit scholarship throughout his course, and also the Sri Jagadguru Murugharajendra Bhaswami scholarship His work was of very high quality, and very consistent He did execellently in all subjects, and it is unfortunate for a man of his all-round ability that only a pass can be ~~declared~~ declared in the honours preliminary examination, since he was capable of distinction in English and second language His conduct was entirely satisfactory He played tennis and hockey, and was a member of the rover scout troop

I feel happy to testify to the character, intelligence and Proficiency of r Gurusiddiah a student of my College and a Rover-Scout my Crew for the last two years

As a student he was almost a model in strenous work patient labour and scholarly ambition As a Rover-Scout he was always efficient smart clean and good all-round The mildness of his temper and the modesty of his behaviour are sweetly endearing The fact that he has obtained a Second Class at the Public Examination is a proof of the promise that is in the young man

I am afraid I may be charged with exaggeration if I spoke out all the nice things I can say of the young man Suffice it to say that I am pleased with him as with very few Students I ay God bless him with renewed zeal

Respected Sir,

I beg to bring the following few lines to your kind notice and for favourable consideration

I was appointed as probationary Revenue Inspector along with nine others, both graduates and under graduates, in the year 1926 and am now the Taluk Sheristedar at Challakere I am now getting Rs 72/- in grade Rs 60-4-80 My next increment is due on 18-6-43 At the time of our selection as probationary Revenue Inspectors no distiction was made between a graduate and an under graduate - The qualification required was only the first year B A course of the Mysore University or the Intermediate Examination of any other recognised University As we were in the dark regarding our future prospects we went on a deputation to the Dewan Saheb while we were still under training and request him to kindly define our prospects He was pleased to give us hopes that we would all be appointed as Amildars in course of time But I regret to state that though my name was also recommended once or twice for inclusion in the Amildari list it was, as I learn, not at all taken into consideration on the ground that I was not a graduate Sir I beg to bring to your kind notice that some of my friends who were selected as Revenue Inspectors along with me have already become Amildars, while I am still rotting as Taluk Sheristedar though I have put in more than 16 years of service

Later or after the new cadre of chief officers was sanctioned by the Government Your Honour was kind enough to recommend my name twice for inclusion in the list of chief Officers of the new scheme But unfortunately my name has not found a

place ever in this list I have passed the first year B A certificate Examination Revenue Higher, Accounts Higher Criminal Higher Registration and Municipal and Local Boards Examination and completed the 2nd year B A course

I therefore most humoly request you Sir to consider my ~~case~~ case sympathetically and recommend my name for inclusion in the Amildari list or atleast in the list of first grade Chief Officers

For wich act of kindness I shall ever remain grateful to you Sir

I beg to remain

Dear Sir,

Mr S Veerabhadrappa who is now the Head Clerk of this office and whose name has been recommended for inclusion in the list of Chief Officers with this office No C2 107 of 42-43, 20th April 1943, is known to me since a very long time He was appointed as Probationary Revenue Inspector in the year 1926 He has served as Revenue Inspector for about 11 years and as Taluk Sheristedar for more than 5 years to the entire satisfaction of his superior officers as can be seen from his Service Register and Character Book He has put in a total service of about 16½ years in the Revenue Department

It is learnt from him that out of ten people who were selected as Probationary Revenue Inspectors along with him 5 have already been appointed as Amildars and Deputy Amildars in pursuance of the principle with which the selection of Probationary Revenue Inspectors was introduced, that no distinction was made between a graduate and an under-graduate at the time of his selection, that the qualification prescribed for a non-brahmin was only the Intermediate Examination or the first year B A, and that though his name was also once recommended for inclusion in the Amildari List, unfortunately it was not at all taken into consideration on the ground that he is not a graduate I also learn that later on, after the new Cadre of Chief Officers was sanctioned by the Government, his name has been recommended twice by the Deputy Commissioner for inclusion in the list of Chief Officers

He,

He is now drawing Rs 76/- P M , in grade 60-4-80 He bears good character and has got good physique As he has served as Revenue Inspector for about 11 years and as I am personally aware of his ability, he is quite fit for executive work, and I am confident that he will discharge the duties of a Chief Officer to the entire satisfaction of his superiors As he is not a graduate his prospects in the Revenue Department will be barred after he reaches the maximum (i e Rs 80/-) in the present scale He is quite young and energetic and has got a special nack for executive work He has passed the First year B A , certificate examination and the necessary Tests including L S G , and as such he is duly qualified for the appointment of a Chief Officer He is a non-brahmin and deserves encouragement I therefore request you to be so good as to include his name in the list of Chief Officer and appoint him as Chief Officer as early as possible

Yours Very Sincerely,

Through

The Assistant Superintendent of Revenue
&s Survey, Kolar District

Sir,

I humbly beg to place the following lines for your kind consideration

I have worked as an R R Supervisor for more than six years on a pay of Rs 55/- and I am now working as a Land Records Supervisor on the same pay since four months My total service is above 12 years I have passed the marginally mentioned departmental tests

1) Revenue (Hr)
2) Accounts (Hr)
3) Criminal (Hr)
4) Registration
5) Civil Part I with 1st Rank
6) Civil Part II
7) Al & Local Boards
8) Muzrai

besides the B A Degree Examination of the Mysore University I have been endeavouring hard to give entire satisfaction to my official superiors who h ve been pleased to place on record their appreciation of my work both in my character book and also in the periodical reports sent to you

In spite of my long service hard work and the qualifications I have remained, most unfortunately, without substantial promotion for a number of years Many officials who started with my qualifications in other departments of Government, much recently have reached far higher ranks of subordinate service and as ill-luck would have it I have to remain without any prospect of promotion for several years more, on account of the very limited chances of promotion in this Department

I submit that I learn that Government have since extended the scheme of selection for appointment to the cadre of Chief Officers and Assessing Officers, to the men on a salary of Rs 50/- or more

in the subordinate ranks of the Survey Department also and that a selection is being made immediately to fill up a few vacancies in the cadre I find that I satisfy both the conditions of salary service and qualifications prescribed for selection to this cadre In view of my hard career for the last twelve years without any avenu of promotion, I humbly beg to request you to kindly take pity on me and recommend my appointment either as a Chief Officer or as Assessing Officer in one of the vacancies on hand I hope you will not take me to boast myself e if I should say that I have confiden to give entire satisfaction even in this new walk of sive service if I am bestowed this favour

For this act of mercy I shall remain ever grateful to you and pray for your prosperity

I beg to remain,
Sir,
